

A Video from Paul Hoback on Our New Terminal's Progress – January 20, 2025

Hear an inspirational message from Paul Hoback in this video showing some of the work that's brought us to 80 percent completion on our new airport. [Watch the video here](#) to see the latest progress of PIT's new terminal.

LISTEN: ACAA's Deepak Nayyar Previews New Terminal's Technology on KDKA-AM

This month, ACAA Chief Information Officer Deepak Nayyar was a guest on KDKA Radio previewing the new technology that will help run PIT's new terminal when it opens later this year. In the episode, Deepak discusses how the new terminal will be a game-changer for Pittsburgh serving as a "welcome mat" for the region, showcasing Pittsburgh's thriving technology and innovation ecosystem to the world.
